STANDARDS & PRACTICES:

By upholding to the standards & practices, means you abide by the rules set henceforth. ANY infraction upon our standards & practices WILL get you expelled from our crew & our group. We uphold a three week trial period. Within that three week period, any misconduct violating these standards & practices is grounds for immediate expulsion; no questions asked. After this period, we have implemented a three strike ruling. Three infractions & you will be expelled with no further warning or action. They are as follows:

- Be courteous to all crew members, whether in game or in the group.
- When in game, DO NOT attack ANY crew member with intention to do bodily harm or death, unless specifically asked to do so by said crew member (in cases of emergency).
- Have your crew's back to the BEST OF YOUR ABILITY when in game sessions. Remember, your CREW MEMBERS come FIRST & YOU come SECOND.
- When either in game or in group please do not slander or talk back to any crew member. If you have an issue with another crew member please take it up with a crew hierarchy official not affiliated with the issue (crew hierarchy can be found here: <http://tinyurl.com/crew-hierarchy>).
- You must represent our crew to a satisfactory degree. This means you must wear crew uniforms whenever you are on official duty (official duty includes crew recruitment periods, bodyguard protection, all meetings ect).
- You will be given a crew appointed vehicle, paid for by any bodyguard work you may do. If you rank up or get demoted said vehicle MUST be sold, & all money must go towards the purchase of the new vehicle. If you get demoted past lieutenant, said vehicle must be sold & you will retain all money from the sale.
- You MUST be 18 or older to join our crew. If you are proven to be less than 18, this will use up all 3 strikes & you will be expelled IMMEDIATELY
- NO modded accounts, we play legitimately. If you are found to have a modded account, you will be expelled
- Anyone can loan money to any crew member AS LONG as said crew member pays back crew member within a timely fashion.
- Above all, HAVE FUN, & don't get too stressed out. Remember, if you have an issue do not be afraid to come talk to any of our hierarchy officials.
- You MUST have a mic at all times! If you do not have a mic, you cannot do any missions, heists or VIP jobs
- PROMOTION TO ANY POSITION WITHIN THE HIERARCHY OF OUR CREW DOES NOT GUARANTEE CONTINUED PLACEMENT OF POSITION OR MEMBERSHIP WITHIN OUR CREW. Only the leader or commissioner(s) have the right to demote or expel any crew member & must only do so by 2/3 vote taken up by the leader & commissioner(s) Hierarchy status means you are either the leader, commissioner, or lieutenant.

If you do not wish to abide by these rules, please us know BEFORE your final steps in the recruitment process.
